

20/3 Wardens Walk COBURG VIC

2 2 1

Find your place in Pentridge Village with this exceptional two bedroom residence and you'll be thrilled with the layout and unusually spacious design both inside and out. Flowing from the kitchen to dining and living areas, the home continues to a huge covered terrace - an absolute game changer for entertainers - below which is a courtyard area also well suited to alfresco dining. A glass-ceramic cooktop, fan forced oven and great storage, including a large pantry, go even further in making a case for inviting everyone over on weekends and holidays. Each of the two double bedrooms is linked to its own bathroom by a walk-through robe (one bathroom is a discreet ensuite and the other offers dual access points), and the main bedroom comes with direct terrace access. There's also a full laundry, plus heating and cooling, security is as strong as you'd hope
