

142A Mitchell Street Brunswick East VIC

3 2 2

Impressive from first glance, these architecturally designed three bedroom residence effortlessly melds cool contemporary style, with superior inclusions at every turn. Missing no opportunity to build on outstanding initial impressions, these sophisticated homes highlight quality kitchens, dining and living domains, starring stainless steel appliances including a gas cooktop, fan forced ovens, canopy rangehoods and dishwashers. The luxurious waterfall stone counters and soft close cabinetry confer further style and substance, and the living/dining areas flow effortlessly to the private courtyards offering the convenience of indoor/outdoor living. Well proportioned bedrooms offer designer built-in-robos, with the masters complemented with their own ensuites. A second fully tiled bathroom, inverter heating and cooling, polished engineered floorboards, under stair storage, secure roller door parking and rainwater tanks add further value. With
